## MOOSUP-TAFTVILLE SERIES

### First Game Will be Played Saturday—Danny Murphy Will Have Charge of the Team—Second Game Sunday at Mosup—Both Managers Will Have Their Strongest Line-up.

From the present outlook, the game Saturday between Moosup and Taftville, the first of the series, which will be played on the Providence street athletic field, Taftville, will be one of a rare nature to the fans of this city and vicinity. Both teams are out to win, and above all to capture the initial game so as to get the jump Sunday the Taftville team plays a return game at Moosup, and already three truckloads of fans have designated their intentions of going.

Both Managers Benoit and Amidon refuse to name their twirlers, and as both clubs have good money behind them some class in this line will be observed. The Taftville bunch are in as much earnest for the championship and the first game that they have secured the services of Danny Murphy, former captain of the Athletics, to take the helm when the team is on the field. He will sit on the Taftville bench, from which he will direct the team.

**M'LOUGHLIN WILL MEET BEHR IN THE FINALS.**

Rivals of East and West Survive the Semi-Finals.

Seabright, N. J., Aug. 12.—Two former stars of Davis cup matches, Maurice E. McLaughlin of San Francisco and Karl H. Behr of New York, survived the semi-finals in the singles here today on the turf courts of the Seabright Lawn Tennis and Cricket Club. McLaughlin found Nathaniel W. Niles of Boston a strong opponent, who forced him to decide set before he won at 8-6, 6-2. Behr had an easier time with Theodore R. Pell of New York whom he defeated 6-1, 6-2.

The rivals of the west and east will meet tomorrow to decide the right to challenge R. Norris Williams, 2d, for his Achenbach cup. Williams arrived here from Chicago today and tunde up his strokes against Niles, who was defeated by the former champion record this year, and his known determination to regain the national championship in the tournament later this month at the West Side Tennis club at Forest Hills, N. Y., held the interest of the gallery. He was lightning fast as he had to be, for Niles bombarded him with low ground shots and drives. The Bostonian broke through McLaughlin's service for a lead of 4-1. A combination of fine driving and volleying, again broke through McLaughlin's service in the first game of the second set. He led at 3-0 on games, again the Californian rose to his greatest speed to win six consecutive games and ousted his rival of going.

Behr began against Pell by rushing to the net and blocking returns. He won the first five games before Pell got in action.

McLaughlin and Ward Dawson, the Californian pair, won the first of the doubles. They defeated Leonard Beckman and L. E. Mahan, a scratch pair, 6-3, 6-4, 8-6. The match ended in a heavy rain.

**INJUNCTION ON SANFORD BURK.**

Pittsburgh, Aug. 12.—The temporary injunction restraining the Pittsburgh Federal League baseball club from either employing or playing Sanford Burk, the pitcher who jumped from the Indianapolis American Association club, was continued late today by Judge Ambrose B. Reid, in common pleas court. A final hearing was held in the case. No date for the hearing was allowed, but it was said the case could not be resumed until October. The temporary injunction was granted upon a petition filed by counsel for the Indians.

**STOCK PRICES SAGGED.**

Better Known Transportation Shares Were Barely Steady.

New York, Aug. 12.—Disappointment at the small rate increases allowed the western railroads by the Interstate Commerce Commission was mainly manifested by the course of today's stock market. The better known transportation shares were barely steady, and trading in their shares was on a very reduced scale. Canadian Pacific and "Soo," recently among the strongest stocks, declined 2 to 4 points, while some of the potential issues were subject to constant pressure.

London, acting for its own account and presumably continental interests, was again a seller here, but in lesser volume than the previous day. The United States Steel figured mainly in these offerings, with an admixture of Eries and some of the metal shares.

War specialties resumed their leadership, more than 60 per cent of the day's extensive offerings centering about half a dozen of these issues. Stocks long dormant, like Allis-Chalmers common, and National Enameling and the Rumelys occupied places of prominence. Allis-Chalmers common made a high price at 46-1/2 with little distinction for the preferred at 75-5/8. The rise in these shares was accompanied by reports that Bethlehem Steel International had gained control of the company. Other new high records included Bethlehem Steel preferred at \$40, General Motors at \$24, Willys-Overland at 179 and Studebaker at 87-7/8. Bethlehem preferred made a new high gain of 1-1/4. Other industrials and equipments emerged from months or years of obscurity with gains of three to seven points.

Word from Washington to the effect that this government would consider armed intervention in Mexico caused a setback in certain shares, notably Mexican Petroleum, which fell four points. Final prices were confusing, standard stocks evincing a heavy trend, with mixed changes in the specialties. Total sales amounted to \$10,000 shares.

Rates of exchange on London broke to lower quotations, demand sterling falling to 473-3/4 on heavy offerings of contractors' bills. Continental exchange was virtually unchanged from yesterday's minimum rate.

Uncertainty was reflected in the bond market, gains being offset by losses. Total sales, per value, aggregated \$2,920,000.

Panama registered \$5 declined 1-1/8 per cent on call.
